

IN THE NAME OF ALMIGHTY ALLAH THE MOST MERCIFUL AND BENEFICENT

Welcome to Schiwo Pakistan.

It is a vertically integrated company providing solutions to a wide spectrum of animal health care needs.

COMPANY'S OVERVIEW

Schiwo Pakistan is a gradually progressing company providing many solutions to a wide range of animal health care needs. We start our business. We provide a large number of products regarding animal health care, well being and performance of animals by having highly qualified and skilled veterinarians, marketing professionals, and financial experts. We have the necessary distribution infrastructure and marketing capabilities to reach all corners of the country.

We are the company having strength to develop and deliver effective, qualitative and safe health care solutions through stringent quality control and dedicated team. Our strategic alliance with a number of international veterinary pharmaceutical entities for marketing their products in Pakistan has enabled us to become a prominent animal health care company. By the constant improvement in customer service, specified and strict quality, focused allocation of resources and strategic planning, the Company is focus on its goal of being one of the leading players in the animal health care.

We are looking forward to our potential customers who can be helpful to us for achieving our targeted goals in the best interest of the animal health sector of Pakistan.

COMPANY'S MISSION

Schiwo Pakistan brings a fresh and inventive approach to animal health business. The newness of the company is tempered by highly experienced leadership, seasoned talent, and the vast resources toward success.

We are on an ambitious mission to be a fully integrated and highly successful organization that delivers innovative solutions to unmet animal health needs, thereby improving the well being of production and performance of animals, to become a market leader in Pakistan's veterinary pharmaceutical industry. Our mission encompasses this set of fundamental values:

Quality comes first. To achieve customer satisfaction, the quality of our products and services must be our number one priority.

Continuous improvement is essential to our success. We must strive for excellence in our products, in their safety, value and in our competitiveness.

Our customers, distributors, dealers and suppliers are our partners. The company must maintain mutually beneficial relationship with these partners and other business associates.
